CIT - Nudge Student Communication

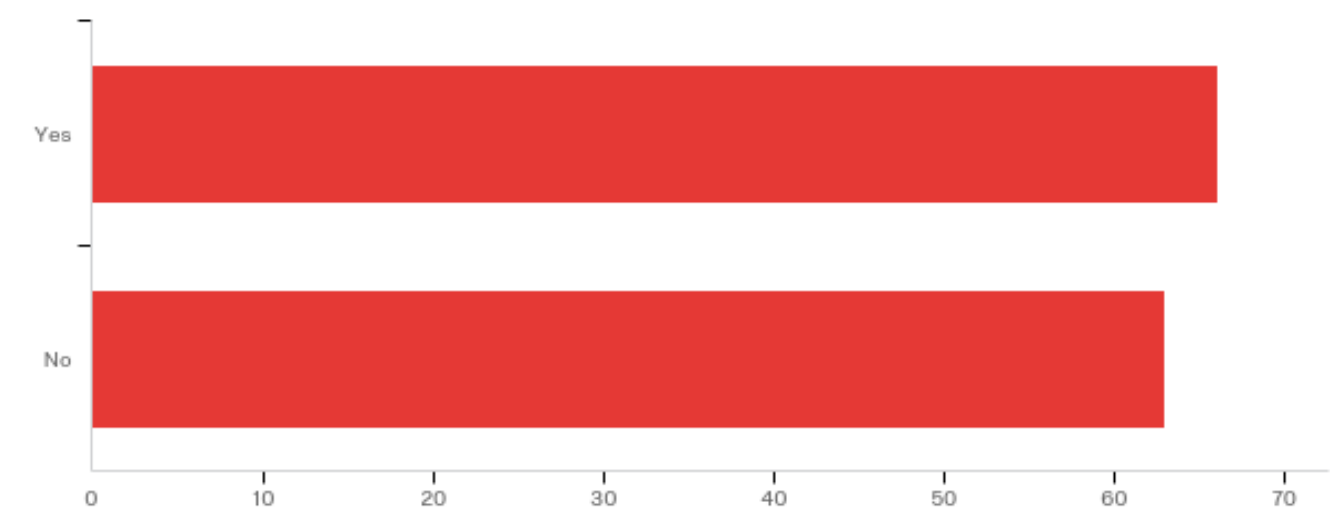

November 20th 2017, 12:55 am MST

**Q1 - Your teacher would like to send you a short, anonymous, non-graded quiz to test your understanding of lecture material. How quickly would you respond to the quiz if it came to you through the following modes of communication?**

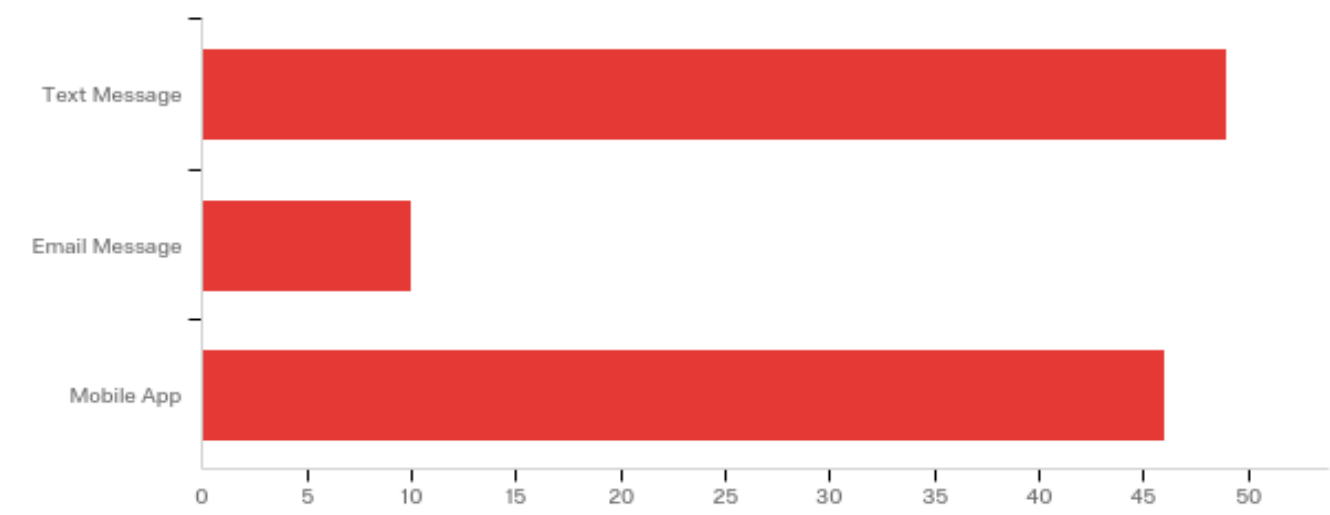

#	Question	Respond within a day		Respond within a week		Would not respond		Total
1	Text Message	74.42%	96	10.08%	13	15.50%	20	129
2	Email Message	62.79%	81	34.11%	44	3.10%	4	129
3	Mobile App	29.69%	38	43.75%	56	26.56%	34	128
4	Sakai	24.41%	31	65.35%	83	10.24%	13	127

Q3 - Would you be willing to download a mobile application on your phone in order to receive these quizzes?

#	Answer	%	Count
1	Yes	51.16%	66
2	No	48.84%	63
	Total	100%	129

Q7 - Are there any methods of communication that you would actively opt out of receiving quizzes through? (Select all that apply)

#	Answer	%	Count
1	Text Message	46.67%	49
2	Email Message	9.52%	10
3	Mobile App	43.81%	46
	Total	100%	105
